

SYSTEM CONFIGURATION TEAM MEETING

April 20, 2017

Thursday, 9 am to Noon

Mt. St. Helens Room, 10th Floor

Conference Call-in line (503) 326-7669

Agenda

- 1. Review the updated FY 2017 CRFM spreadsheet.**
- 2. Update on the feasibility study of alternatives for spillway and sluiceway PIT detection.**
- 3. Discussion of the implementation and evaluation of the 2018 Court ordered spill increase and use of 2017 funding for ERDC model preparation for spill pattern changes.**
- 4. Evaluation of alternatives for turbine blade blocking that will be included in the turbine survival program but funded BPA Large Cap, not CRFM.**
- 5. Plan for ranking the line items in the 2018 CRFM spreadsheet, which should be available by June.**
- 6. Updates from FFDRWG & SRWG, and future meeting dates.**
- 7. Recommend canceling the May 18 meeting and reconvene on June 15 with the 2018 spreadsheet.**
